Ordering/Purchasing Procedure

Online canteen ordering/purchasing is now available at Drouin East via MSC (My School Connect). To use this service, simply log in from the Chairo App or via Linc from a desktop or laptop computer. MSC accounts have been created for each family. After accepting the terms and conditions, you will receive a welcome email with additional information about how to place orders.

Using MSC is now the preferred method of ordering and purchasing from the canteen at Drouin East. However, it is also still possible to make purchases using cash if necessary/preferred.

Note that all items are subject to availability. Every reasonable effort will be made to fill orders exactly, but items may be substituted with similar products if not available.
